REPLY AND AMENDMENT UNDER 37 C.F.R. § 1.129

Sir:

In complete response to the final rejection mailed January 13, 1997, please remove the finality of that rejection and amend the application identified in the caption as follows:

IN THE CLAIMS:

Please add the following claims:

29. Essentially pure, intact, recombinant hPTH which exhibits a maximal response which is greater than that which can be achieved by synthetic hPTH.

I hereby certify that this correspondence is being deposited with the United States Postal Service with sufficient postage as first class mail in an envelope addressed to Assistant Commissioner for Patents, Washington, D.C. 20231 on July 11, 1997
